Hotel Overview

Windjammer Landing Villa is unique and unlike any other Caribbean resort. It was conceived, designed and built as a village. Brick paths meander through more than 60 acres of lush landscaping, scented gardens, sparkling pools and waterfalls, covered walkways, pickled wood, and hand-painted tiles.

The residents come from all over the world, creating a village community of international vacationers and property owners. Patterned after the picturesque villages of the Mediterranean, Windjammer Landing villas are uniquely designed and secluded from neighbors by magnificent trees and flowering bushes. Stroll or take the continuous shuttle service to the heart of the village where you will find a full-service resort.

LOCATION

Windjammer Landing Villa is located 5 miles/15 minutes from St. Lucia's capital city, Castries, and Vigie George Charles Airport.

The hotel is nearby Maria Island Nature Reserve, Fregate Island Nature Reserve, and Castries Market.
