## Hotel Overview

Elbow Beach Bermuda offers tranquility combined with fun. Within the resort it has some excellent facilities, including water sports and tennis. Alternatively the concierge will be pleased to book the guests' preferred diversion, from tours of the colonial past to horseback riding on the beach.

Elbow Beach is the ultimate retreat with a wealth of facilities created for luxurious leisure. The hotel offers the holistic pleasures of the spa, five tennis courts, a putting green and swimming pool. By the beach it has a comprehensive water sports service, from where the hotel can organize any deep sea or shallow water entertainment, from wreck dives to kayaking.

With a focus on the surrounding ocean, Bermuda's attractions include forts and ports and maritime museums. The hotel offers concierge recommendations for things to do and see and discover the island's colonial history.

## LOCATION

Elbow Beach Bermuda's concierge has made various recommendations of things to do and see. Meanwhile, nature offers its own free pleasures in the sea, sand and skies of Bermuda. The guests can search for shells and sand dollars; watch the glow worms in summer; count the stars in the remarkably clear skies, while enjoying the chirp of tree frogs and the heady fragrance of frangipani that permeates the night air.

If the guests are looking for something more energetic there are countless creative ways to enjoy the surrounding ocean with water sports that Bermuda manages with professionalism, from helmet diving, to underwater scooter games, to swimming with dolphins.
