Hotel Overview

Built in the glamorous 1950's, during a time characterized by extraordinary old-world luxury, this serene sanctuary still maintains a stellar reputation as one of Jamaica's most exquisite resort-inns. Royal Plantation sits on a bluff soaring 25 feet above the shimmering Caribbean, granting each and every one of its 74 sumptuous suites heart-stopping views of the ocean.

Bask blissfully on the spectacular twin beaches—glorious golden-sand coves where you can spend countless hours soaking in the sunshine and sipping on "mangosas," delivered ice-cold and sparkling to your hands by unobtrusive beach butlers.

Placed in the beautiful northern coast of Jamaica, the Royal Plantation is 2km away from the town center. The Sangster International Airport lies about 110km away and can be reached by a 2 hour drive. Taxies are usually the preferred mode of transport by tourists to get around the city.

LOCATION

Ocho Rios, where the Royal Plantation is situated, is a coastal town on the northern shores of Jamaica. The Dunn's River Falls lies roughly 6km away from the hotel while the famous Dolphin Cove lies 7km away.
