Hotel Overview

It is a World class contemporary resort with a team of attentive yet discreet staff, who are committed to providing exceptional service. The quintessential island charm is something for which the people of Bali are renowned; they pride themselves on their welcoming hospitality. Sentosa is an exclusive ensemble of 38 luxurious villas; all set in idyllic landscaped gardens with private pools. The lavishly adorned villas with their chic interiors will astonish discerning leisure and business travellers alike. The villas provide guests with a sense of privacy and ultimate luxury; far superior to a hotel room environment.

LOCATION

The lavishly adorned villas with their chic interiors will astonish discerning leisure and business travellers alike. The villas provide guests with a sense of privacy and ultimate luxury, superior to a hotel room environment Sentosa is an exclusive ensemble of 32 luxurious villas, set in idyllic landscaped gardens all with private pools.

PROPERTY AMENITIES

* The Luxe Lounge Spa :

The Luxe Lounge Spa is the ultimate pampering experience. The hotel will take you on this unique spa journey of relaxation and indulgence. The custom designed signature treatments are divine scent-sations of Chocolate Fondue, Citrus Zing, Floral Princess and Exotic Spice. Relax, renew, enjoy, indulge and live like a King or Queen, because life is serious enough.

* Luxe Gym :

If your goal is to get fit, tone and detox, the staff can help you achieve this at Luxe Gym, where you will be offered healthy juices, protein shakes and customised training.

* Blossom Restaurant Bar & Lounge:

The chef, Chris Patzold, is new to Sentosa but not new to Bali, having worked at KU dE TA, Axiom, The Canggu Club and other notable venues. He brings a new and enthusiastic approach to food at 'Blossom' restaurant while retaining the best of the earlier Thai dishes. Nothing pretentious but certainly some very delicious and inventive dishes. The ambiance and décor of the restaurant are outstanding and it is probably one of the most beautiful restaurants in Bali.

* Conference :

The Rooftop Conference suite has a relaxed and comfortable atmosphere, which is perfect for small meetings or large conferences. The conference suite has natural daylight and is fully air conditioned with WIFI & broadband internet access throughout. This hotel can cater for meeting capacities for between 8 & 100 delegates with a range of refreshments and menus to suit your needs.

* Event :

The stylish and elegant atmosphere of Sentosa is a beautiful setting for meetings, conferences, weddings and private events. This property offers expert event consultancy services for both corporate and private functions; including birthday parties, private dinner parties, cocktail evenings, weddings, formal corporate functions, conferences and team building days. The hotel will help you organise a memorable event with a professional and dedicated approach.

ROOM AMENITIES

* The spectacular entrance to the villas across a serene lotus pond leads to a stylish living/dining pavilion, which creates an ambience of sophistication and comfort. The gourmet kitchen is superbly appointed with European appliances. All bedrooms are king size with en-suite bathrooms and set under traditional Balinese alang-alang roofs.
