Hotel Overview

Located at Nisantasi, Istanbul's most popular shopping, entertainment and gourmet center, The Sofa offers a new generation of luxury accommodation within walking distance to international brands, distinguished restaurants, bars, cafés and the town's newest and most prestigious shopping mall.

The Sofa is designed by the famous Turkish architect Sinan Kafadar. The Sofa secures its privileged position as the first hotel of Nisantasi by reflecting Istanbul's appealing spirit and by embracing the richness of modern urban life. Being the sponsor of one of the most important and new art fairs, Contemporary Istanbul, the hotel easily stimulates each of the five senses with the benefit of this experience. The objects of art, designed exclusively for the hotel or acquired to enrich the genuine atmosphere are supplements to the hotel's unique and sophisticated character.

LOCATION

The hotel is located in Nisantasi. The Sofa Hotel Istanbul is also 3 minutes walking distance from Istanbul Convention Center.

The Ataturk Airport, which is 24 kilometers away, takes only 30 minutes to reach.
