

# Morning: PERFUME CREATION at the Perfume Bar

Today you'll live a unique experience !

Drive to the Hinterland, to Grasse - the Capital of Perfume - Chanel N° 5 has been created here...

While a part of the group will explore & discover Grasse & its Perfume Factories, the other part will be invited to the Perfume Bar - Now you need all your senses while creating your own « Eau de perfume »

At the end of the day all participants will come back to the hotel with a very special souvenir: the own created eau de Perfume !

## Afternoon Program

France, this is the place for delicious food, great chefs, and fantastic, creative & perfumed dishes. Today all your senses will be needed, for this unique & unforgettable **Aperitif Challenge**

This afternoon, it is getting serious, you will learn a lot local aperitif canapés, by the chefs and most of all you have all show your cooking talents...

**Take on your apron** - after a demonstration of preparation of a local aperitif canapé - you have to prepare this aperitif canapé - best canapés will be judged by the French animateur/cook...
