For your guests we have a number of different package options to include such extras as canapés & free flow soft drinks, fire lanterns etc. You can also choose from a range of optional extras including hairstyling and make up, fireworks and entertainment (for example Traditional Thai Music or Thai Dancing, DJ or Jazz Band can be arranged for you).

We can tailor the wedding reception dinner menu as buffet style or a more formal sit-down event and we have various menu options that can be created for you depending on your budget and the dietary requirements of you and your guests. Whether you prefer Thai or European/Mediterranean cuisine we can design some samples menus from which you can choose.

If you prefer to organise an open bar for your guests, we also offer different packages and rates depending on the type of beverages and time limit you would like to set.

Subject to availability, we can also arrange full exclusivity of the resort so that you can enjoy the facilities privately with your guests.
